

To Our Members;

Amalgamation between Belmont Minor Hockey and Aylmer Minor Hockey.

There have been several meetings to date that have taken place to discuss the possibility of amalgamation and what it looks like for each of our organizations.

Our mission is to create the best minor hockey experience for all of the players. We are committed to doing all that we can for the betterment of the game, our players, and our communities.

On January 3, 2023, the BMHA board notified our OMHA Regional Director of our intention to enter into Amalgamation negotiations with Aylmer Minor Hockey. The Amalgamation committees of BMHA and AMHA have extensive work to complete in order for this to be a possibility.

The steps to complete the amalgamation process are as follows:

- Continue formal amalgamation discussions to come to an amalgamation agreement
- Hold a Townhall meeting to provide information to our members regarding amalgamation and to answer any questions.
- Once a general agreement in principle is reached it will be taken to the AMHA and BMHA boards for approval
- Once approved by the boards a membership vote will be held. There must be 2/3rds vote in favour of amalgamation for amalgamation to proceed
- The final step is the Agreement is sent to OMHA for review and approval

Further communications will be forthcoming in the near future. A date for the Townhall meeting will be set shortly and regular updates will be posted on the website. Please send any questions to the amalgamation committee at BMHAamalgamation@gmail.com
